IN MEMORIAM

Kristi M. Collins
January 23, 1969 — October 11, 1986

Time passes like a dream,
Moments come and go.
I see your face in a quiet storm,
Call your name there's no answer.

Tell me you can hear me.
Say that you can hear me.
If only you can hear me.

Tell you of a time
Shared so long ago.
It seems like only yesterday
We talked, we laughed.

If I could have anything
I'd wish for this my friend:
To turn back the hands of time
And see your face again.

Where did you go?
Why did you leave?
Say it isn't so.
I still don't believe.

Paula M. Rutkouski
November 1, 1969 — October 11, 1986

Tell me you can hear me.
Say that you can hear me.
If only you can hear me.

There must be a way
To change what is the past.
The memory of you will always last.

If I could have anything
I'd wish for this my friend:
To turn back the hands of time
And see your face again.

The moment we've awaited
Has finally arrived
Soon we will separate
Toward new goals we will strive

But we shall remember forever
The friendships we've made
And the good times we've shared
Will never begin to fade

So after we determine
Our next destination
May we never forget
Our high school graduation

GOOD TIMES

Spirit Week '85 ended with the Class of 1987 as extremely excited victors. Our class was the much deserved winner of such competitions as Hall Decorating, Class Poster, and many others. The activities ended as the weekend approached and the football team was defeated in a tough game against the Shepherd Hill Rams.

On the night of October 26, 1985 came our long-awaited Homecoming Dance. We all got down to music played by disc jockey Mark Johnson and it seemed like the special night would never come to an end.

Crowned as Homecoming queen was Christa Boydack with Denise Silvester, Paula Rutkowski, Jeannie Rabideau, Marcy Janda, Shawna Kelly, and Glenda Morales serving on her royal court.

"Just Once" would this special night come for us and we celebrated it with much jubilation and pride for being the leading class of Spirit Week. Little did we realize then that we would capture this honor once again in the fall of '86.

THIS COULD BE THE NIGHT

On May 16, 1986, our class held its second formal, the Junior Prom, at the beautifully-decorated Leominster Italian Center. Knowing that this was our most elaborate dance formal, we enjoyed every minute of it. "Glass Leaf" supplied music for the occasion (with Gerry Houle and Dan Shannon helping out!)

Under the limelight as queen was Lisa Belanger, taking with her Kathy Williamson, Denise Silvester, Johnna Desautels, Ann Freel, Dolores Cafarelli and Christa Boydack as her court. We will always cherish the timeless memories of this special night.

NIGHT HOURS

Let's dance! On Saturday, March 28th in the colorful surroundings of a freshly decorated Clinton Town Hall, that is exactly what we did. While dancing the hours away to the music provided by "Sam the Music Man" we sadly realized that this would be our final dance. But we would not let ourselves down. Instead we made it a night to remember. And what a night it was for those who were chosen as the honorable King and Queen and their Courts. The Queen and her Court were: (L to R) Mary Rouleau, Carol Letourneau, Sharon Ricker, **Queen: Shawna Kelly**, Kelly Thomas, Nancy Gaughan, and Patty Cowles. The King and his Court were: (L to R Humberto Morales, Fran Bedard, Chris Taylor, **King: Jeff Innamorati**, Mike Williamson, Dan Shannon, and Jeff Peto.

TIME TO MOVE ON

"If you have anything really valuable to contribute to the world, it will come through the expression of your own personality — that single spark of divinity that sets you off and makes you different from every other living creature."

Bruce Barton

YOU CAN TOUCH STARS

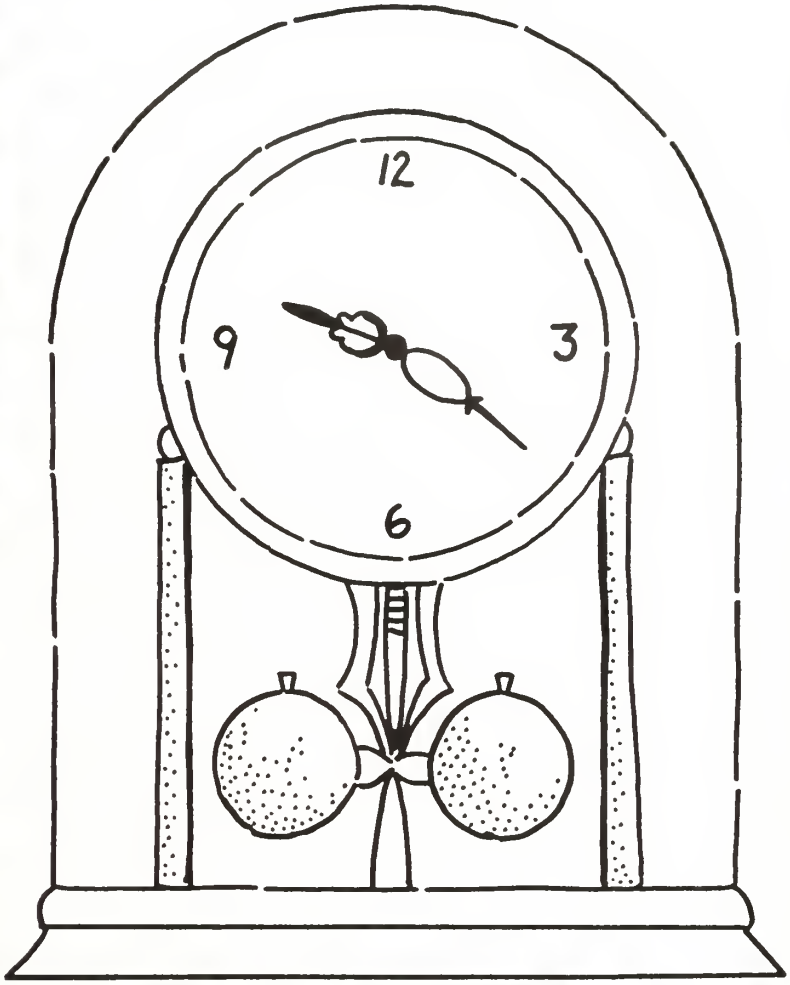
Stars have too long been symbols of the unattainable. They should not be so. For although our physical hands cannot reach them, we can touch them in other ways.

Let stars stand for those things which are ideal and radiant in life: if we seek sincerely and strive hard enough, it is not impossible to reach them, even though the goals seem distant at the onset.

And how often do we touch stars when we find them close by in the shining lives of great souls, in the sparkling universe of humanity around us!

Esther Baldwin York

TIME TO TEACH



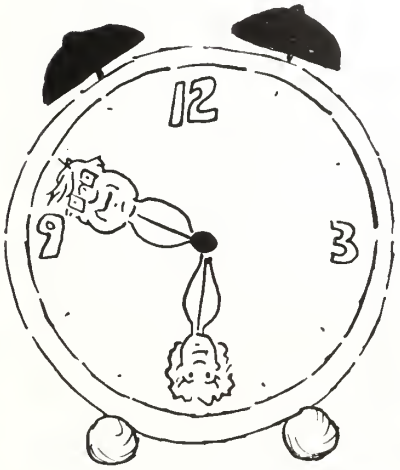
MANY THANKS TO OUR SECOND HANDS . . .

Now is the hour when we must say good-bye to those who are so dear to us. You were always there for guidance, assistance, judgement and authority. Unlike the slow-moving hands of time, your hands worked both assiduously and vigorously. Without your ever faithful presence, who knows where we may have ended up? So keep in mind that as time endures . . .

"You'll never be forgotten!"

SPIRIT WEEK BANTER

Mr. McIlvaine during spirit week thought everything was great, but who wanted to draw first and then decorate?



Miss Menegus assisted us in gym class each day. During spirit week she assisted by doing things our way.

Mr. Balvin always knows exactly what to say, so naturally almost everything ended up his way!

Mrs. Galeski lent us her artistic skills, while her daughter Laura did cheerleading drills.

On May 12, 1987 the Clinton High School Chapter of the National Honor Society held its annual induction ceremony. The society welcomed 18 students including 16 new junior inductees and 2 senior members, Ann Freel and Andy Gonsorcik. During the program, the seniors were proud to present their gift to the school, a check which will be used for floral arrangements.

After a full year of service the senior members of the National Honor Society happily gave the floor to the new junior members along with wishes of good luck for the future.

Interclass Dramatics has always been a fun and exciting event at Clinton High. Last year, as juniors, our aspiring actors and actresses performed "That's No Lady, That's a Private Eye!" This performance won us Best Play as well as three awards: Best Actress, Maureen Bonin; Best Supporting Actress, Maureen Kittredge; and Best Supporting Actor, Dan Shannon.

This year our class presented "High School Daze." For this dramatic event, the prize of Best Supporting Actor was awarded to Jeff Peto.

We hope that future classes will enjoy performing as much as we did.

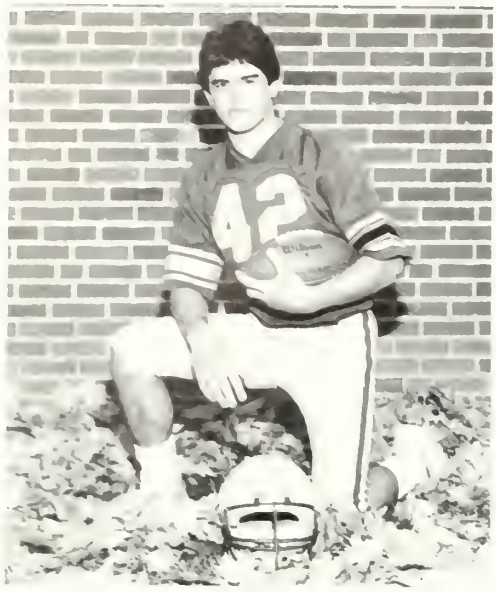
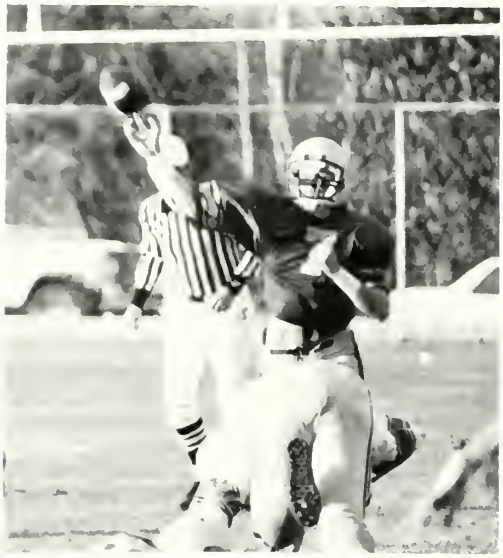
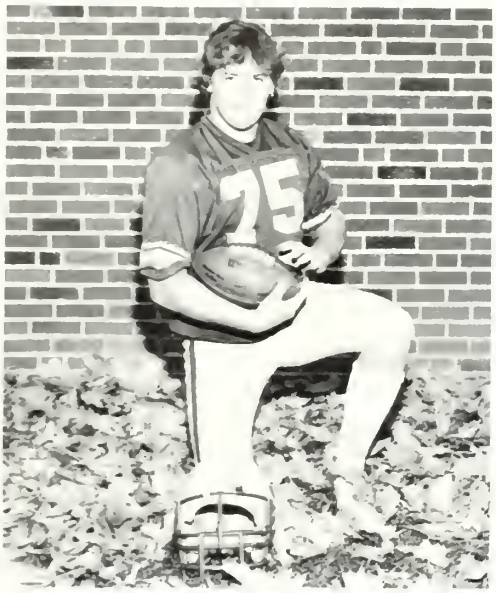
TIME OUT

HANDFUL OF SPIRIT



Jeff Innamorati





Scott O'Toole

The Clinton football team improved upon their previons record of 2-8 last year to a respectable 5-5 this season. The Gaels were led by head coach Archie Cataldi and assistant coaches Tony Gannon and Tom Vetras.

With the leadership of captains Scott Connolly, Jeff Innamorati, Scott O'Toole and Kokes Zahariadis, the Gaels spent long, grueling hours on the practice field improving their strength and skill. With the return of night games at Fuller Field, the excitement of the fans increased and the Gaels' record soared to 3-2 with wins over Hudson, Marlboro and Maynard.

With strong effort and determination the Gaels stuck together through a long and adverse season to regain the unforgettable Gael pride.

The Clinton field hockey team had a successful season this year, presenting a record of 5-6-5. Although their expectations were higher, they never let go of that traditional Gael spirit.

This year the team was once again directed by coach Geri Novia and tri-captains were Shannon O'Connell, Mary Rouleau, and Denise Silvester. Under this leadership, the Gaels kept their heads high and sticks low as they struggled through a strenuous season. The Lady Gaels deserve much credit for a job well done.

GOALTIME

The Clinton soccer team struggled through its second season with a new team of young hopefuls. With the professional advice of coach Bob Shilalie and the leadership of co-captains Steve O'Toole and Frank Gogruen, the Gaels achieved a record of 0-16. Although these statistics may not be cause for celebration, the Gaels showed much pride and courage as they faced much more experienced competition. Although no victories show up on their record, the Gaels lost some very close games and they can always be proud that they gave it their best shot.

HANDS UP HANDS DOWN

This year the Clinton High volleyball team served its way to a satisfying season with a record of 3-11. Thanks to the leadership of Coach Kathy Winnika and the guidance of captains Carol Letourneau and Colleen Liddy, the Gaels never gave up hope, spirit, or that traditional Gael determination. Long practices produced improved coordination and serving skills; however, the Midland League competition was once again too tough, and too tall, for the Lady Gaels. The girls deserve great credit for trying. Despite all the trials and tribulations, they bumped, set, and spiked their way to a fulfilling season.

TWILIGHT ZONE

This year the Clinton High basketball team had a decent season resulting with a record of 3-14. Under the expert direction of Coach Gerry Foley, the Gaels tried their utmost to gain the credit they very much deserve. The Gaels sunk many baskets and scored many points, but unfortunately this was not enough to grab victories away from the other Midland League teams. However, the season wasn't at all useless since the Gaels tremendously improved their skills and coordination. We extend our congratulations to all the players for another fine season.

TIME TRAVELERS

Although their 2-15 record may not be cause for excitement, the Clinton girls' basketball team never let their spirits diminish and for this we can admire and feel proud of them. With the superb coaching of Bernie Gaughan, the Gaels held their heads high through this trying season.

This year the varsity team was a mixture of members of each class, all of whom tried their hardest to achieve victory. It was, however, the shooting of Gaughan, the ball control of Gibson, the rebounding of Liddy and the driving of Rouleau that led the team.

All of the hard work and determination finally paid off on February 10, 1987 when the Lady Gaels won their first league game over the Maynard Tigers, 38-34. All in all, this season was satisfying for the Gaels — not to mention the great enthusiasm experienced on that victorious day.

Under the direction of coach Bernie Gaughan, the Clinton High baseball team had great season with a resulting record of 14-6. Co-captains Jim Nolan and Kevin Labbe led the gaels to many victories including a win over the Hudson Hawks which earned them a spot in the District playoffs.

The saying goes "Time flies when you're having fun," but fly it did not during the intense game against the Marlboro Panthers whom the gaels finally defeated 4-3 after 15 innings!

Even after being defeated in the second games of the Districts, we commend the gaels for their fine job this season.

TEE TIME

The Clinton High golf team played a very competitive season this year, ending with a record of 0-13. Although this figure is not a terrific one, the gaels proudly demonstrated good sportsmanship and school spirit at every match.

Under the superb coaching and experience of Donald Burgwinkle, the gaels spent much time perfecting their skills. However, the abilities of the other Midland League teams over powered them.

We now take the time to congratulate all the members of the squad for a job well done. Good going, guys!

This year the girls' and boys' track teams, along with coaches Noreen Beaulieu and Archie Cataldi, ended the season with records of 0-6 and 0-9 respectively.

Due to a limited amount of runners and jumpers, our teams' statistics may not look notable, although the players themselves did capture many events and acquire record-setting times.

At each and every meet, the gaels gave it their all and refused to back down. For this, we can all give them a hand!

The Clinton High softball team played a great season this year, with a final record of 9-8.

Coached by Caesar DiTullio, the Lady Gaels expressed tremendous effort and sportsmanship at every game. Although their stay in the District playoffs was short-lived, the players and the school they represent are extremely proud.

We now take the time to congratulate the Lady Gaels on a job well done.

CHANGING TIMES

Our freshman year at C.H.S. was a time of growing and learning. Our first job, electing our Class Officers, was a success. They included: John Despotopulos, President; Scott Connolly, Vice President; Amy Donnini, Secretary; and Colleen Liddy, Treasurer.

Although we were intimidated by the upperclassmen, we, along with our advisors, Beverly Menegus and Carl McIlvaine, spent much time and effort readying ourselves for the main event — Spirit Week. Despite jeers of "dirt" from our fellow students, we didn't give up. Proud poets Mona Christie and Carol Letourneau triumphed in first place in the Class Poem contest.

The rest of our first year at C.H.S. was typical of the bewildered freshman. At the end of the year, we finally felt that we belonged and we were excited to prepare ourselves for the next obstacle — sophomore year.

As junior year began, our conceit level was a bit high since we knew now that we were finally upperclassmen! We began by selecting Class Officers — Jeff Peto, President, Fran Bedard, Vice President, Colleen Liddy, Secretary; and Maureen Bonin, Treasurer. They guided us through our fund-raisers including a Christmas raffle and selling carnations.

Our new Advisors, Anne Galeski and Joseph Balvin, were also a great support for us during our direction of Spirit Week and other class activities.

Spirit Week was a thrilling time for the Class of 1987. We were victorious in many competitions including Hall Decorating, Class Poster, Green & Gold Day and last but not least, the Class with the Most Spirit! The highlights of the week, though, were the Homecoming Game and the dance which followed. Our theme, "Just Once," was appropriate since only once would we experience this special night.

Our final year at C.H.S. came upon us more quickly than was expected. Our Class Officers didn't realize what they were in for — as this would be the busiest year of all. They included: Jeff Peto, President; Lisa Belanger, Vice President; Colleen Liddy, Secretary; and Maureen Bonin, Treasurer. These students did an excellent job during the many trials and tribulations we experienced before graduation.

Spirit Week was a tremendous success for the Class of '87. When the points were tallied, we arose once again as winners. As the band played "Tequila," we all danced ecstatieally around the gymnasium floor. (Even Mr. Balvin got into it!)

Many of us were saddened by the thought that this was our closing hour at C.H.S., but we made the best of all the times we had.

Sophomore year brings memories we will cherish forever. This year brought new opportunities — to show the freshmen the ropes by giving them the same treatment given us and to be proud that we were no longer the "dirt" of the school.

Being more sure of ourselves, we came through the Spirit Week competition as third place winners. The many hours we spent decorating and preparing were worth every minute. We beautified our hall with everything from aluminum foil stars to a huge three-dimensional 87. During the rally, an excited Mona Christie crossed the finish line of the tricycle race first leaving the presidents of the other classes trailing behind!

Our Class Officers: Mona Christie, President; Christa Boydack, Vice President; Johnna Desautels, Secretary; and Maureen Bonin, Treasurer, led us through the many trying times and prepared us (mentally and financially) for our two most important events — Junior and Senior year.

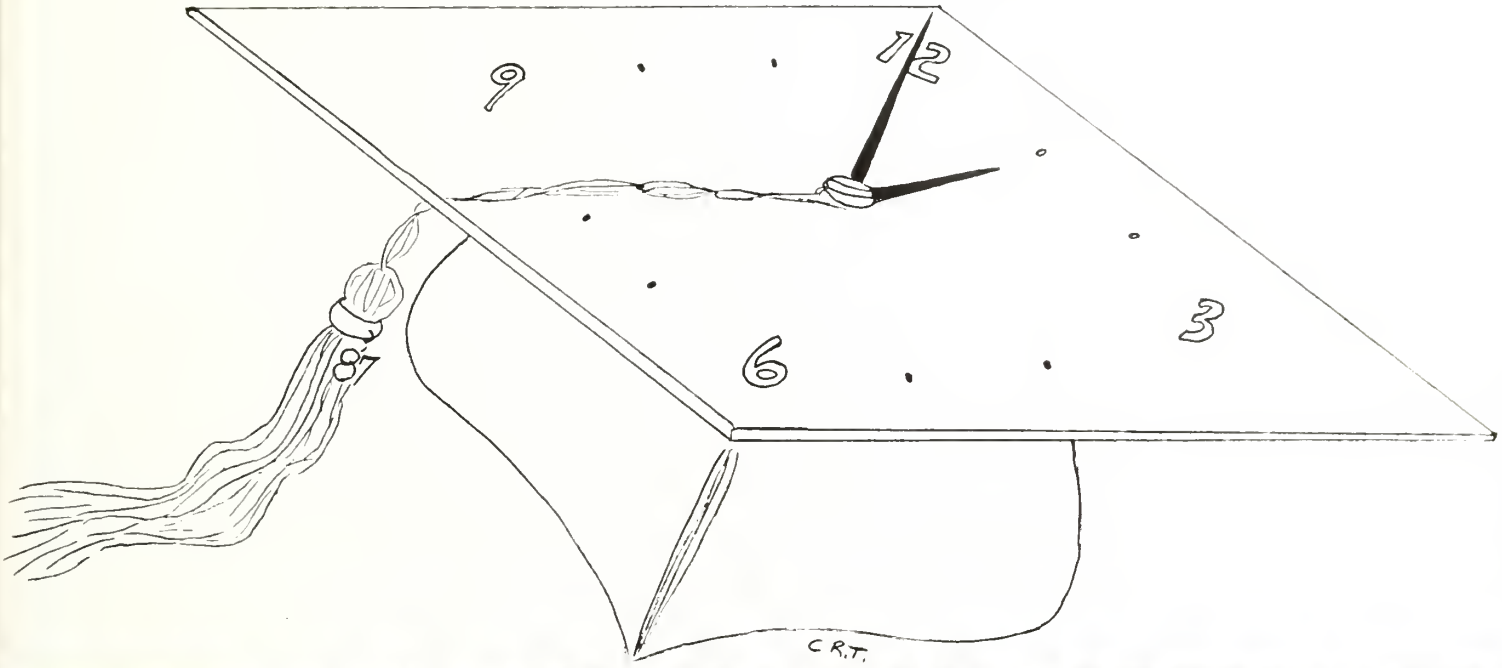
TIME TO MOVE ON



A TIME FOR CHANGE

Rev. Edward Chalmers

"Mirror Image"

"Walk On By"

"Hang 'Em High"

"Coolin' Off"

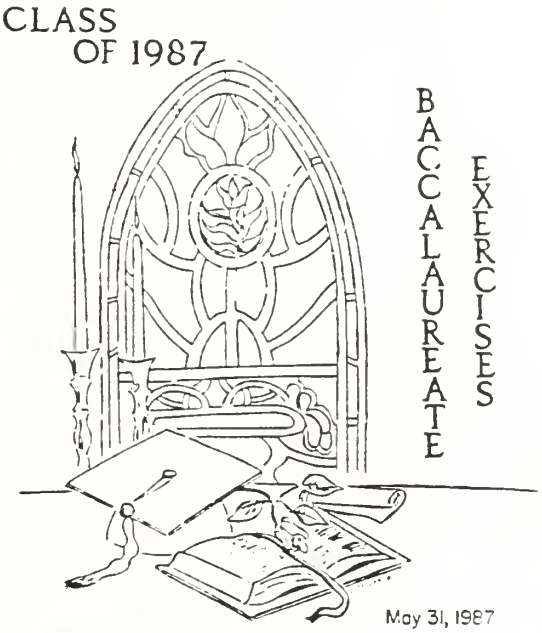
On Sunday, May 31, 1987 our Baccalaureate Service was held in Mitchell Memorial Auditorium. Dressed in our caps and gowns for the first time, we listened intently to the blessing of Reverend Edward Chalmers of St. John the Evangelist Church in Clinton.

After singing our class song, "That's What Friends Are For," we marched out, all of us with visions of our final week together as a class.

"A Helping Hand"

"Looks Like We've Made It!"

"That's What Friends Are For"



"Food, Glorious Food"

Pres. Jeff Peto

FUN TIMES

Senior Week officially began on June 2, 1987 when we all traveled to the Frank Davis Resort in Moodus, CT for our Class Trip.

The day was filled with "fun, food, and frolic" as we swam, raced canoes, rode horses, and enjoyed the many field events.

When all the excitement faded and we mounted the buses to return home, we looked forward to the remaining activities of our final week together.

B.C.

PARTY TIME

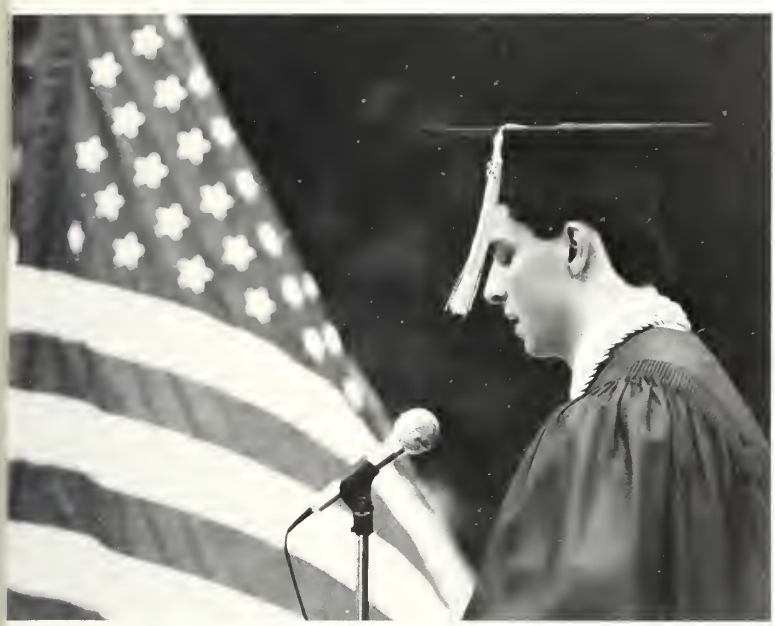
On June 4, 1987, our Class Banquet was held at the White Cliffs in Northboro. We finally realized that this was our last chance to enjoy ourselves as a class. We dined and danced to the music of "Glass Leaf." But, of course, a party isn't a party until the seniors take over the instruments for a little entertainment and humor of their own!

As the night wore on and the fun wore off, thoughts of graduation swept through our minds, as we looked forward to that special day.

OUR FINAL HOUR

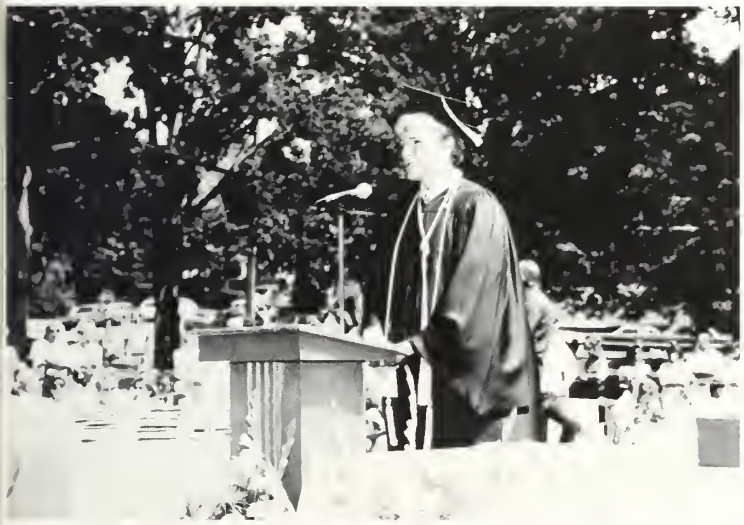
On Saturday, June 6, 1987, we all gathered together for our final hour — graduation. After hearing the meaningful and inspirational speeches of Class President Jeff Peto, Valedictorian Scott Connolly, Salutatorian Shannon O'Connell, Chris Taylor and Lisa Giansanti, we slowly marched across the platform to receive our diplomas. We were no longer mere high school students — we were adults, ready and willing to face life in the real world.

These past four years strengthened and matured each and every one of us in character and in mind. Nothing can stop us now, '87!



"Give to the world the best you have, follow the honest and dedicated leaders of our society and become citizens of integrity. The quality of our lives and of our nation depends upon the contribution you make."

"There are no strangers here — only friends we have not met."



"It's not the man who takes things as they come that succeeds, but the man who also grabs them as they go by."

"Destiny is not a matter of choice. It is not a thing to be waited for, it is a thing to be achieved."

THE TRUE MEANING OF GAEL SPIRIT

Our years have passed at Clinton High,
and now it's time to say good-bye.
But first we'd like to take a rest,
and take the time to reminisce.

Three years have gone by since our freshman year.
Since that time we've allayed our fears.
Our senior class no longer cowers when booed.
Instead we bounce back with our spirited mood.

Our sophomore year soon commenced.
An air of leadership from our peers was sensed.
Our academics were more advanced,
and hopes of success left us entranced.

Then junior year finally came,
and upperclassmen we were named.
During Spirit Week our vigor was high,
and when announced victors we expressed more than a sigh.

Our senior year is beginning to unravel,
the maudlin end of our high school travels.
Our last expressions of Gael Spirit are given,
for it has always been towards pride that we have striven.
Our feelings, we know, will best be described,
when that day of graduation finally arrives.
Our credence in the futurity of Clinton High cannot be suppressed,
and we are obliged to leave the underclassmen impressed.

This we know, is a surmountable feat,
because our attitude just can't be beat.
Our spirit, spunk, and absolute pride,
can not, and will not be explicitly denied.

The true meaning of Gael Spirit will forever be extolled,
for as we journey from this school and our life-long careers unfold,
we'll faithfully refer to what we have learned and shared here.
And to ol' Clinton High we bestow a zealous cheer.

Any college will take your money. But what will they give you in return?

Billions of dollars are spent each year to get a college education. This year won't be any different.

Before you give your hard earned money over to some smiling college financial officer, be sure you're buying the best college for you.

At our college we also have a smiling financial officer. In fact we feel that our financial officer has one of the finest smiles of any college financial officer in the country. And why not. Our financial officer knows the value of a dollar, and also knows the value of the education you will receive from Atlantic Union College.

What you'll be buying are classes taught by professors, not graduate students that many larger colleges and universities use. Professors, who compose a faculty of professional educators who have earned their degrees from places like, Cambridge University, Harvard University, Eastman School of Music, Boston University and many more of the finest universities in the world.

What you'll be buying is one of the most exciting educational environments in the nation. Located minutes away from the nation's greatest concentration of high-tech research and development zones, Atlantic Union College in South Lancaster, Massachusetts gives its students the opportunity to study in an economic and social climate that John Naisbitt, author of Megatrends has called, one of the ten best places to start a business or find employment.

What you'll be buying is an Honors Core Program that has been evaluated by a university instructor who examined 175 liberal arts colleges and found "two programs stand out conspicuously as examples of excellence." Atlantic Union College is one of these two examples of excellence.

But perhaps more important than all of this, is that what you'll be buying, is a place where caring, Christian people are fully prepared to counsel and support you.

Leading by example through the maturity of its students, the prestige of its faculty, the professionalism of its staff, the success of its alumni, and Atlantic Union College's outstanding record of service to the human community. Such is the character of Atlantic Union College.

This is what you will be getting, and it is something money rarely can buy, no matter what the price.

For more information on attending Atlantic Union College, and for financial information and help call: Nationwide 1-800-AUC-2030. In Massachusetts call 1-800-325-0099. Or write Director of Admissions; Atlantic Union College; South Lancaster, MA 01561.
